

As amended by formal action of the Sherman County Board at its June 25, 2026 meeting

June 10, 2026 Meeting Minute Corrections

Approval of May 27th, 2026

The board approved April 27th minutes with corrections to include dates they did not receive notice and final agendas to certain meetings. Discussion was had that these changes were not reflected in the May 27th minutes. Bandur made a motion with corrections and Kaslon Seconded. Sasha, the County Clerk, said she did not have to change the minutes. Chairman Bandur asked if she was refusing to correct the minutes and Sasha stated she was not going to answer that. Chairman Bandur moved on with the meeting with not roll call vote.

Agenda Item #17

Chairman Bandur asked County Attorney Heather Sikyta who had entered the meeting what the Board could do for her and she stated she was at the meeting for agenda item 17. Ms. Sikyta then handed Chairman Bandur a letter referring to election pay claims. Chairman Bandur questioned Ms. Sikyta how she is now an expert in HR. When he contacted her two weeks ago about an HR question, she stated that HR questions needed to go to Pam Bourne. There was discussion on the differing opinions on the matter. Chairman Bandur then questioned who put the agenda item 17 and 18 on the agenda because none of the Commissioners were aware of these items being placed on the agenda. Sasha, the County Clerk, stated she did. Chairman Bandur stated these items were taken care of at the last meeting and since the County Board did not put these items on the agenda, they were not addressing them. Ms. Sikyta asked Chairman Bandur if he was asking her to leave and Chairman Bandur stated I have asked you to leave before when you sat here and insulted our Road Foreman so yes if you want to leave, leave. Sasha the County Clerk wanted to explain why the items were placed on the agenda and Chairman Bandur stated it was not going to be discussed. When Ms. Sikyta left the meeting Sasha then stated the Ms. Sikyta is the one who placed the items on the agenda. Chairman Bandur concluded the discussion.
